

Welcome to Angelina's Ristorante

As you can see by the 30 foot wine tower in the middle of the restaurant, we are serious about wine. Food and wine go hand in hand in Italy, and you can't be passionate about one without feeling the same about the other. Our hand-picked list features wine from all around the world, with a special focus on Italian producers. If you need assistance choosing the right bottle of wine to pair with your dinner, or wish to try something new, please ask to speak with one of our Sommeliers.
